Friday, 10th April
Zone Cross Country

Week 4

Mon 20th - Fri 24th, April
Yrs 5/6 Canberra Excursion

Week 10

Principal's Message

I would like to congratulate Mrs Elizabeth Murray who was successful with her application as Relieving Principal in Term 2. Mrs Murray is a passionate and dedicated teacher who has introduced many innovative programs to our school. The students are excited to have Miss Gills return to school to join Mrs Murray as teacher on the Primary class during Term 2.

Our school also hosted a very successful Harmony Day on March 22nd. Again, I would like to thank our P&C for the huge effort of running the BBQ for this event.

Congratulations to Margie, Erica and April who were announced as champions for their design of a wind powered generator at the Science and Engineering Challenge on 21st March. They now have the record out of all primary and secondary schools in Australia for this activity. Fantastic effort girls! It was wonderful to see so many parents, community members and grandparents who attended our end of term Assembly and Easter Hat Parade. Our students always perform at their best in front of a supportive audience.

P&C Meeting

The P&C will be holding a meeting on Wednesday, 3rd April in the School Library. Some of the items on the agenda include, the football canteen, P&C subsidies for excursions, clothing pool and the Prawn and Chicken night. Parents and community members are encouraged to attend. Please come and show your support.

Tennis

Tom will return on Friday with tennis coaching. He will have a double session on the last day of term, April 12 to make up for lost days. The students have enjoyed this program immensely and are looking forward to Athletics training next Term.

ANZAC Day

ANZAC Day will take place on Thursday, 25th April at Nundle Memorial Hall at 11.00am. We are hoping to see a good representation from our school to attend the ceremony and take part in the march afterwards. Students are asked to wear their winter uniform.

Opportunity Class Applications

Year 4 parents and carers please note that applications for opportunity classes in Year 5 in 2025 open on 4 April (Week 10), and close on 20 May (Term 2 Week 4). Further information has been sent home with Year 4 students.

Share our Space

Our school oval will be open during the school holidays for the Share our Space Program. There is an electric BBQ and play area available for public use. Unfortunately the toilets will not be open.

Flu Vaccination

A nurse from the Aboriginal Medical Centre in Tamworth will visit our school on Friday, 3rd May to administer flu vaccinations to parents, students, staff and community members. An Expression of Interest has been attached if you are interested and would like to receive the flu vaccination. Please note that the vaccination will be at approximately 11.30am, after the Dungowan Cross Country event.

RFS Visit

We will have a visit from our local fire service on Friday, 12th April at 12.00pm. Students will learn about fire safety, hazards to identify around the home and how they can respond to a fire emergency. Of course the highlight of the visit is the hands on experience on the fire truck. Thinking back to last visit, a change of clothing may be required!

Term 2

Staff will be attending a School Development Day on Monday, 29th April at Woolomin School. Students return on Tuesday, 30th April. Our annual Cross Country event will be held on Friday, 3rd May and Zone Cross Country on Friday, 10th May.

Major Excursions

Parents are reminded that they can make instalment payments through the Sentral portal for the Canberra and Great Aussie Bush Camp excursions. Canberra is Term 2 Week 4 and GABC is Term 3 Week 3.

Harmony Day 2024

End of Term 1 Assembly

Easter Hat Parade
