North West Cross Country

### Week 2

#### Principal's Message

Welcome back to Term 2. This upcoming term promises to be another busy one with lots of quality learning activities and events planned. I wish to extend my congratulations to the students who participated in the ANZAC Day Ceremony at Nundle during the break. Their exemplary behaviour and immaculate attire garnered recognition from various members of the community, who commended their conduct.

Our Cross Country event was once again a triumph. I extend my gratitude to all parents, family members, and community attendees who provided support by cheering on the participants and assisting with timekeeping, ensuring the smooth running of the event. In the coming week, a letter will be dispatched, inviting parents to schedule meetings with teachers to discuss their children's educational goals. We eagerly anticipate the opportunity to engage in positive discussions relating to learning with students and parents.

Lastly, I wish to express my appreciation for the support extended to me by the community as I undertake the role of relieving principal at Dungowan Public School. The community here is truly remarkable and teaching these students is a delight. We extend our best wishes to Mrs Hubble for a restful break and eagerly anticipate her return in Term 3.

#### P&C Meeting

The next P&C meeting will be held in the school Library on Wednesday, 16th May at 4pm. Items on the agenda include the Prawn and Chicken night. Everyone is welcome to attend.

#### Athletics

Jay Stone will return for Term 2 on Thursdays for Athletics training with the students.

#### GRIP Leadership

On May 14th, students in Years 5 and 6 will be participating in the GRIP Leadership Conference at the Tamworth Town Hall. This conference will offer students a series of activities designed to enhance their understanding and abilities in leadership. We extend our sincere gratitude to the parents who are contributing to the advancement and enrichment of our students by facilitating transportation, thereby ensuring their access to these invaluable opportunities.

#### Cross Country

On Friday, May 3rd, students from Kindergarten to Year 6 actively participated in the school's cross-country event. Demonstrating commendable perseverance, all students successfully completed the course. Those students aged 8 years and above who have qualified to progress to the subsequent stage will be representing our school at the zone cross country event, scheduled for this Friday, May 10th, at Barrabra. We extend our best wishes to the students participating in this event.

#### Goal Setting

In the next few weeks, we are looking forward to meeting with parents and students to discuss students individual learning goals. The students are really excited about sharing this process with their family. Keep an eye out for the note with the information. Bookings will be able to be made by phone call or Sentral parent portal. We look forward to seeing you all.

In the upcoming weeks, we anticipate the opportunity to meet with parents and students to discuss learning goals to encourage individual personal growth. The students have expressed genuine enthusiasm and excitement regarding the prospect of involving their families in this collaborative endeavour. Please keep an eye out for further details. Bookings for these meetings will be facilitated through either telephone correspondence or the Sentral parent portal. We eagerly anticipate your attendance.

#### Major Excursions

Permission notes have been given to the 5/6 students for the Canberra Excursion. If you haven't already, please get them signed and returned to school as soon as possible. Parents can use the Parent Portal on Sentral to make payments.

#### Games and Library Books

Students are reminded to bring back all educational learning games and Library books.
