Years 4&5 Excursion
Great Aussie Bush Camp
Monday 26th July to Wednesday 28th July 2021

Dear Parents & Carers,

Students will experience programs that are delivered within unique and authentic Australian environments by highly trained instructors. Every Great Aussie Bush Camp program offers the widest choice of onsite and offsite activities available at any outdoor education centre in Australia. Programs are delivered through a sequential approach where “challenge by choice” allows students and teachers to safely go beyond their comfort zones at a pace that feels right for them. Programs are developed to achieve student outcomes from across all stages of learning and every curriculum area. They are leaders in the outdoor education industry and have a family friendly atmosphere and passion for educating students. Students of 8 small schools in the Tamworth area will be interacting & getting to know one another – great for sporting occasions and high school transition. Activities chosen for our specific program include canoeing, orienteering, cooperative & problem solving games, market fare, kayaking, climbing, flying fox, obstacle course and archery.

The cost of the excursion will be \$320.00 per student – less 20% P&C contributions, which is greatly appreciated.

Full payment must be finalised two weeks before the excursion, unless other arrangements have been made with the Principal. Small regular payments may be made at any time before the excursion.

Please remember PARENT ONLINE PAYMENTS are also available via the school website page www.dungowan-p.schools.nsw.edu.au and selecting - \$ Make a payment
