Dear Parents and Carers

Our staff have decided to use *G* suite - Google Classroom as the platform for the online delivery of lessons. Today we went through the process of signing into the site and accessing lessons. We are using the department sample lessons for this week. Teachers will load and set up lessons for the remainder of the term.

We have hard copies of these lessons if parents are finding this a challenging process. Please be patient and don't get stressed. You can ring us or call in to get the hard copies of these lessons.

This is all very new to everyone and I know there will be teething problems. Our school remains open and we are more than happy to help you with anything we can.

I hope everyone stays safe and well.

Kind regards

Kerri-Anne Hubble
